Welcome to Your PADI Rescue Diver Class!

\$249 RESCUE All Beach Format

Challenging and rewarding best describes the PADI Rescue Diver course. This course will expand your knowledge and experience level. Rescue Divers learn to look beyond themselves and consider the safety and well being of other divers. Although this course is challenging, it is a rewarding way to build your confidence. Rescue Diver training will prepare you to prevent problems and, if necessary, manage dive emergencies. Many divers say this is the best course they've ever taken.

Our PADI Rescue Diver program is serious & challenging, but also exciting and very rewarding. It includes 12 OpenWater training exercises to fully prepare you in the event of a diving emergency. In addition to receiving your PADI Rescue Card, you'll gain confidence and greatly enhance your diving performance

Covered in this Course:

- Self-Rescue and Diver Stress
- Emergency Management and Equipment
- Panicked Diver Response
- In-Water Rescue Breathing Protocols
- Egress (exits)
- Dive Accident Scenarios

Prerequisites:

Completion of the [PADI Advanced Diver Class](#) or Equivalent Certification from another Agency plus 20 Logged Dives. Current [EFR](#) or CPR Rating.

In addition, all students receive training in two other areas of SCUBA diving. These areas may vary according to which Advanced Diver program you choose and Beach Conditions / Boat Locations.
